Job Experience

The Henry Ford / Historical Presenter

6 Months / 20900 Oakwood Boulevard, Dearborn, MI 48124

This position requires you to memorize and learn historical data of the specific location you're working at, along with heavy physical labor being that it also is working on the farm, also as a presenter a big part of the job was talking to the guest and informing them of the historical data of the farm.

Red Apple Restaurant / Dishwasher

1.5 Months / 32711 Michigan Ave, Wayne, MI 48184

The job responsibilities were cleaning dishes, making sure the establishment was squeaky clean, refilling pop machines and ice, taking care of oil from the whole shift, cleaning bathrooms.

Education

Wayne Memorial High School / Diploma

September 2013 - July 2018, 3001 4th St, Wayne, MI 48184

The basic high school education, with 4 years of concert choir and 4 years of Vocal Dimension (Auditioned Choir), a year of guitar club, and a semester of the Youth Mentorship program.

William D. Ford Technical Center / Game Design and Programming 1

September 2016 - July 2017, 36455 Marquette St, Westland, MI 48185

This was a full year of high school class that went over JavaScript basics, Binary basics, Game Maker 8.1, Game Maker Studio and Game Maker Language.

Awards

General Electric (GEDEX) / Hackathon

1 Village Center Dr, Wayne, MI 48184

I received first place for my creation of an automatic car window opener based on the temperature within the vehicle to protect against animal or child deaths from heatstroke.

William D Ford Career Technical Center / Game Jam

36455 Marquette St, Westland, MI 48185

I received third place in this game jam creating a top down shooter where you throw potions at creatures you've accidentally created in your laboratory as a mad scientist. This game was created in a team with Alexander Marshal and Reese Tran.
